Commissioners,

Attached is a ten-year comparison of the number of exempt positions. The comparison summarizes the total number of exempt positions for 2021 and for each of the prior nine years. It breaks down each year's total by category, i.e., those exempted by state statutes and those exempted by action of the Commission. In addition, a further breakdown of Commission exempted positions is provided for those positions which are part-time/seasonal/student intern types which are full-time.

Also, the One-Time Exemption report is attached, but there are no positions to report in this category.
